

# Data Analyst I

## What You'll Do:

As the Data Analyst, you will assist in preparation and analysis of data related to client, mail pharmacy, retail network, and operational performance, including client and pharmacy contract obligations and related information. You will analyze, standardize, and simplify data queries to ensure data consistency, assist in periodic compilation and reporting of rebate and formulary data, assist in maintenance of client and pharmacy price lists, assist with the development and formulation of pricing related programs for new and existing clients and provide analytical support for project work where needed.

The Data Analyst will also assist in the annual budgeting process for revenue and cost of sales, maintain financial and operational dashboards, including key profitability metrics and interactive reports, and may also provide technical direction to support staff and use existing procedures to solve routine and non-routine problems.

## Qualifications:

- Bachelor's degree in Business, Computer Science or equivalent combination of education and experience; concentration in math, statistics, or actuarial science. (preferred)
- Previous related experience preferred (e.g. complex analysis within Excel, basic knowledge of SQL, R, Python, and/or PowerBI)
- Statistical/analytical analysis in healthcare field and/or analysis of claims data. (preferred)

## Why Serve You Rx?

In addition to the great workplace culture, Serve You Rx offers generous benefits to include: medical, dental, vision, 401k, HSA, FSA, identity theft, and pet insurance), 18 days of paid time off in your first year, a newly remodeled and clean facility, easy on/off freeway access, plenty of free surface parking directly outside our facility doors, scenic walking trails, a wide variety of restaurants and shopping nearby, and food trucks in the park when weather permits.

**Qualified applicants are encouraged to apply! Send your cover letter, resume and salary requirements to [hr@serve-you-rx.com](mailto:hr@serve-you-rx.com)**
